## EXPERIENCE

### **Lithia Body & Paint**

**Aug 2022 - Feb 2023**

#### **Estimator**

**Roseburg, OR**

Leveraged analytical skills and digital tools to enhance client communication, user experience, and project estimates, demonstrating strong customer service and project management skills.

Key Accomplishments:

- Revitalized client communication and project estimates using digital tools, which significantly enhanced customer satisfaction and facilitated smooth project management.
- Boosted operational efficiency and cost-effectiveness by streamlining project cost estimates, thereby optimizing vendor selection and reducing overall project costs.

### **UPS**

**2013-2023**

#### **Service Provider**

**Roseburg, OR**

Delivered superior customer service by effectively leveraging communication skills, problem-solving techniques, and digital platforms to streamline data entry processes.

Key Accomplishments:

- Improved organizational efficiency by adapting to digital platforms and streamlining data entry processes for customer information, shipments, and orders.
- Reduced delivery errors by 20% through the effective use of digital tools for order and customer data management.

### **Twitch.tv**

**Feb 2018 - Nov 2018**

#### **Content Creator**

**Roseburg, OR**

Amplified brand growth and recognition by creating engaging video content and leveraging social media platforms, demonstrating effective marketing and advertising strategies to improve user engagement.

Key Accomplishments:

- Initiated and executed collaborations with other content creators for joint broadcasts, fostering community engagement, and expanding audience reach.
- Achieved exponential growth in viewer engagement and monetization within the first three months, demonstrating the effective application of content creation and social media promotion strategies.

## EDUCATION

### **Certificate in Full Stack Web Development**

**Eugene , OR**

#### **University of Oregon**

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS.
